EXCLUSIVE DESIGNER SEMI-DETACHED HOUSE WITH MODERN DESIGN, GARDEN AND PRIVATE POOL IN THE HEART OF PEDREGALEJO, MÁLAGA EAST

Fortuny Hogares Únicos presents this spectacular luxury designer semi-detached house with sea views, synonymous with privacy and security in the heart of Málaga East.

Location

Located in the heart of Pedregalejo, this property enjoys one of the most authentic and sought-after residential areas of Málaga East. Just a few minutes' walk from Pedregalejo Beach, the home combines the serenity of a seaside setting with the convenience of having all services within reach: international schools, supermarkets, local shops, emblematic beachfront restaurants and excellent public transport connections. The vibrant Historic Centre of Málaga is approximately 4 km away, allowing you to enjoy its cultural, gastronomic and commercial offer within minutes, while returning each day to the calm and residential character that distinguish this unique enclave by the Mediterranean.

Layout

The semi-detached house is south-facing. It has a total built area of 235m², 181m² usable space and is distributed over two floors plus rooftop level.

First Floor

It consists of an entrance hall, a spacious and bright living-dining room with access to the terrace and pool. A fully furnished independent kitchen connected to the living room. A guest toilet. The remaining floors are accessed via the stairs.

Ground Floor

It consists of a hallway and four bedrooms with built-in wardrobes and four en-suite bathrooms. All bedrooms have access to the garden.

Rooftop Level

It consists of a landing and a large 83m² terrace with sea views.

Qualities

The property has the highest construction standards and excellent qualities. We highlight a reinforced and lacquered entrance door, white lacquered MDF interior doors, PVC exterior carpentry with double glazing, roller shutters, porcelain floors by Porcelanosa. Sanitary ware and taps in bathrooms, fully furnished kitchen by Gamadecor and Bosch appliances. Home automation for control of lights and shutters. Aerothermal system for DHW production, ducted air conditioning, photovoltaic energy and video intercom.

Outdoor Areas

The outdoor areas are designed for enjoying the Mediterranean climate. They feature a spacious terrace with space for outdoor dining, a 23m² artificial grass garden and a private pool. The property has two outdoor parking spaces.

Regulations

Energy certificates in process. In compliance with the Decree of the Junta de Andalucía 218/2005 of 11 October, consumers are informed that the indicated price does not include the expenses derived from the purchase of the property according to current laws (ITP, notary fees and in the case of new construction VAT tax).
