A Moorish archway connects the main living room with an adjoining living room, very cosy with exposed beams on the ceiling, a large fitted and equipped kitchen, a spacious dining room with a capacity for more than ten people, and a complete bathroom. A comfortable staircase leads to the first floor. **First floor:** consists of an entrance hall, a living room and five beautiful bedrooms, all in different styles. The master bedroom has fitted wardrobes and an en-suite bathroom, while two further bathrooms serve the other bedrooms. All the rooms are spacious, bright, air-conditioned and furnished with selected and cosy decorations. **The property has been built with top quality materials:** solid wood doors and windows and white and smooth walls; all the qualities of the houses are excellent. There is heating in all the rooms. Next to the main house, there is **another house perfect as a caretaker's house or for guests**. The house consists of a spacious and bright living room, a separate kitchen with a dining area, two bedrooms and a full bathroom. **Outside, there are several terraces** from which to enjoy the views, **a large rear patio** perfect for entertaining **and a charming porch to the front**. Not forgetting the **large saltwater swimming pool**, perfect for summer days, surrounded by large trees, gardens, fountains and lighting, creating the perfect atmosphere for relaxation and tranquillity.
